

Flip Flicks

Welcome to the next edition of the Flip Flicks video program. The Teacher and Student Tips programs have been a huge success. We hope you have taken some time to review them.

Summer reading may be just a memory at this point but we thought it would be fun to have students create a “Book Trailer” as the next round in the Flip Flicks program.

Project Details

1. Cameras should remain with participating teachers/educators
2. Teachers invite students to create a “Book Trailer” on their favorite book.
3. Students produce a short (two-four) minute video that can be shared on Keystone Commons.
4. Videos can be uploaded directly via the Keystone Commons site beginning December 15, 2010. Directions for uploading are posted on the Keystone Commons site.
